Re: Seaforth Beach Association, Inc.

Dear Larry:

I appreciate your notes of October 22 and October 30 with regard to the above association. As you know, I am most interested in seeing that this project is realized and would like to help in any way possible. I hope that the delay in the meeting does not mean that there is any serious hitch.

If you know of any way that I can be of help, please advise me.

Faithfully yours,
